

Swiss PG Day 2018

The conference on PostgreSQL
Friday, June 29th 2018, Rapperswil

This day is all about PostgreSQL - the world's most advanced open source database.

Experienced speakers will present interesting talks arranged in two parallel tracks hold in English and German language.

Take the opportunity to meet with like-minded people during the day and continue networking while having a drink after the conference.

The event is suitable for everybody, from first-time users to experts and from clerks to decision-makers.

Organized by the Swiss PostgreSQL Users Group (SwissPUG).
